JUSTIFICATION FOR DIRECT PROCUREMENT

Name of Good to be procured	:	eBooks for library
Why direct Procurement?	:	<p>Agriculture Education includes multiple disciplines like crop sciences, horticulture, veterinary & animal sciences, agricultural engineering & technology, natural resource management, agricultural economics & ABM, agricultural statistics and agricultural extension etc.</p> <p>The subject-specific eBooks market is of oligopolistic in nature and a significant number of subject-wise relevant eBooks are to be purchased under the project. Therefore, purchasing eBooks directly from an established and reputed publisher, which offers a wide range of eBooks collection commensurating with the needs of the students in the multiple disciplines of agricultural science, would ensure the content coverage and quality.</p>
Identified Publisher for the purpose	:	Taylor & Francis Group
Why this particular publisher is identified as a suitable supplier?	:	<ul style="list-style-type: none">➤ Taylor & Francis group is among the top publishing firms and is known for its outstanding repute in the academic publishing business.➤ It maintains specialized collection of agriculture eBooks in emerging as well as the most established areas, to meet the subject-wise needs of students at all stages.➤ Books for professional development are written by recognized experts in their field. Simultaneously, the expert editors and editorial board members are highly regarded faculty members of major

(Signature)

	<p>universities and research centers throughout the world, dedicated to publishing eBooks.</p> <p>➤ HOD's of the University have responded positively towards the titles in various disciplines from T&F.</p>
<p>Benefits of Taylor and Francis E-books Collection.</p>	<p>One-time purchase: T&F eBooks are bought as One-time purchase only and are on an ownership model.</p> <p>Perpetual Access: With Taylor & Francis online library, perpetual access to the bought eBooks will be given, which will be long term asset for the library.</p> <p>Multiuser concurrent access: A single title can be accessed by multiple users at the same time.</p> <p>Unlimited downloads: No restrictions on downloading and printing of the eBooks for fair use.</p> <p>24*7 Access: Round the clock access wherever IP's work. The access is based on IPs and can be set in a minimum of three working days from the day of the purchase order. IP enabling allows access to remote areas like hostels and dormitories etc.</p> <p>Remote Access passwords are provided, in case of visiting or travelling users.</p>
